

# I've Been Thinking

J Mascis

I've been thinking about it  
All I want's to go back home  
Don't even know if it matters  
Here's a shot and now I'm doneHey you, were we?  
Hey you, were we?  
Hey you, were we?  
Hey you, were we?  
Cause I wanna go where you are  
And I wanna feel, I wanna love  
Hey you can forgive me  
I hope 'cause I don't see no way  
Thought I'd like to come with you  
Thought I'd like to come and stayHey you, were we?  
Hey you, were we?  
Hey you, were we?  
Hey you, were we?'cause I wanna know what happens now  
Did I blow it all? 'Cause I know how  
And I'll be ok some other time  
But it's not enough to get me byHey you, were we?  
Hey you, were we?  
Hey you, were we?  
Hey you, were we?  
I've been thinking abuot it  
All I want's to go back home  
I've been thinking about it  
All I want's to go back home
