On My Own

BarlowGirl

I can't believe that I'm here in this place again
How did I manage to mess up one more time?
This pattern seems to be the story of my life
Should have learned this lesson by the thousandth time'Cause I promised myself I wouldn't fall
But here I've fallen
I guess I'm not as strong as I thought
All I can do is cry to YouGod, You have to save me
You're my last and only hope
All my right answers fail me
I can't seem to make it on my ownAlways thought that I would be strong enough
What made all of them fall couldn't take me down
Yeah, did I think that I was above it all?
I have learned that pride comes before the fallI can't promise myself that I wont fall
'Cause here I've fallen
I know I'm not as strong as I thought
All I can do is cry to YouGod, You have to save me
You're my last and only hope
All my right answers fail me
I can't seem to make it on my own
On my ownGod, You have to save me
You're my last and only hope
All my right answers fail me
I can't seem to make it on my own
On my own, on my own
