Nightlife (Single Mix)

IAMX

I want to know how to survive in the nightlife
The truth and dare of the drug for the first time
I click my heels and dance with the heat rise
I want to know how to survive in the nightlifeI want to know how to survive in the nightlife
The truth and dare of the drug from the baseline
The desire that the voodoo gives to a weak mind
I want to know how to survive in the nightlifeI want to know how to survive in the nightlife
The truth and dare of the drug for the first time
I click my heels and dance with the heat rise
I want to know how to survive in the nightlifeI want to know how to survive in the nightlife
The truth and dare of the drug from the baseline
The desire that the voodoo gives to a weak mind
I want to know how to survive in the nightlife
