

# First Love (Remot Remix f/ Naledge)

[Adele](#)

So little to say but so much time  
Despite my empty mouth the words are in my mind  
Please wear the face, the one where you smile  
Because you lighten up my heart when I start to cry  
Forgive me first love, but I'm tired  
I need to get away to feel again  
Try to understand why, don't get so close to change my mind  
Please wipe that look out of your eyes, it's bribing me to doubt myself  
Simply, it's tiring  
This love has dried up and stayed behind  
And if I stay I'll be alive  
Then choke on words I'd always hide  
Excuse me first love, but we're through  
I need to taste the kiss from someone new  
Forgive me first love, but I'm too tired  
I'm bored to say the least and I, I lack desire  
Forgive me first love, forgive me first love, forgive me first love  
Forgive me first love forgive me, forgive me first love, forgive me first love
