

# It's Not Really Christmas

Trina Broussard

It's not really Christmas no  
without you here with me  
all night baby  
It's not really  
It really ain't Christmas  
without you it can't be

Ain't gon be alone at home  
with out my baby

Even if it's the 25th  
And it's presents under a tree  
Still it ain't  
It really ain't christmas baby no  
without you here with me  
aaah haa ha ha yeah

Everyone is singing  
the fire is burning so bright so brightly  
still there's something  
you know there's something missing  
in this house tonight  
(oooooo)  
and just becasue  
oooh it's a santa clause  
and a star sits on top of the tree  
oooh ho ho No still it ain't Christmas  
no no no no without you baby here with me

thought it's christmas night  
and I rather wait  
til the end of never  
to ever and forever  
oh so sad so sad

aaah haa hha yeah  
and even if oh it is the 25th  
there's presents under a tree oh  
still it ain't Christmas  
Oh no it ain't no

without you here with me  
ahhh ahh hey hey  
ooh baby  
ummm hmm  
closer closer closer

(trimming the tree) trimming the tree  
(just you and me) just you and me  
(oh how I miss you my love) Oh how I miss you  
(won't be complete)  
(til you and me) Until you and Me  
(it's not really Christmas)  
hey

(trimming the tree) trimming the tree  
(just you and Me) Oh Hey  
(oh how I miss you my love)  
I'm lookin' out the window  
(won't be complete)  
(till you and me) and all I see is snow  
(it's not really Christmas)  
I don't have no mistletoe no

(trimming the tree)  
(just you and Me)  
because My baby ain't here  
(oh how I miss you )  
even though everyone around me is  
(won't be complete)  
Filled with cheer  
(till you and me)  
Still my  
(It's not really Christmas)  
baby ain't here

(trimming the tree)  
(just you and Me)  
(oh how I miss you)  
(won't be complete)  
(till you and me)  
(it's not really Christmas)
