

Killed by Death (Live in Wacken)

Motörhead

SomeoneIf you squeeze my lizard
I'll put my snake on you
I'm a romantic adventure
And I'm a reptile tooBut it don't make no difference
'Cause I ain't gonna be, easy, easy
The only time I'm easy's when I'm
Killed by death, killed by death, killed by death, someoneI'm a lone wolf ligger
But I ain't no pretty boy
I'm a backbone shiver
And I'm a bundle of joyBut it don't make no difference
'Cause I ain't gonna be, easy, easy
The only time I'm easy's when I'm
Killed by death, killed by death, killed by death, someoneKilled by death, killed by death, killed by death
Someone's gonna killed by death, come onKilled by death, killed by death, killed by death
Killed by death, killed by death, killed by deathKilled by death, killed by death, killed by death
Someone's gonna kill meAlright, alright, alright, alright, alright
Killed by death, killed by death
