

# I'm Alive

## Shinedown

I'm alive  
So you were six feet underneath me  
I feel the pulse, I swear you moved  
And digging deep, deep down  
I recognized how much you had to lose  
And if you wanna get out of here  
Wanna get out of here  
Save yourself  
But you'll never get anywhere  
Never get anywhere  
Not without my help  
(Say it with me)  
I'm alive, I'm alive  
When you're dead inside  
I'm a slap in the face  
To your lullaby  
Got you all tongue tied  
Cause you're living a lie my friend  
Say it with me  
I'm alive, I'm alive  
When you're dead inside  
I'm your wakeup call  
And you know I'm right  
So make a move  
Let it bleed  
Tear your heart off your sleeve  
But I'm the only one who's gonna save your life  
I'm the one who's gonna save your life  
I'm the one who's gonna  
So how far did you go for shelter?  
How long did it take you to find  
A place to sell your providence  
And harm your peace of mind  
And if you wanna get out of here  
Wanna get out of here  
Save yourself  
But you'll never get anywhere  
Never get anywhere

Not without my help  
(Say it with me)  
I'm alive, I'm alive  
When you're dead inside  
I'm a slap in the face  
To your lullaby  
Got you all tongue tied  
Cause you're living a lie my friend  
Say it with me  
I'm alive, I'm alive  
When you're dead inside  
I'm your wakeup call  
And you know I'm right  
So make a move  
Let it bleed  
Tear your heart off your sleeve  
But I'm the only one who's gonna save your life  
I'm the one who's gonna save your life  
I'm the one who's gonna  
I'm alive, I'm alive  
When you're dead inside  
I'm a slap in the face  
To your lullaby  
Got you all tongue tied  
Cause you're living a lie my friend  
Say it with me  
I'm alive, I'm alive  
When you're dead inside  
I'm your wakeup call  
And you know I'm right  
So make a move  
Let it bleed  
Tear your heart off your sleeve  
But I'm the only one who's gonna save your life  
I'm the one who's gonna save your life  
I'm the one who's gonna save your life  
I'm the one who's gonna save your life  
I'm the one who's gonna save your life
