

Don't Wanna Come Down

Trey Songz

(Intro)

I be like Yup!(Ad Libbing)(1st Verse)

USA, what's up?

Asia, what's up?

Europe, what's up?

Hey, what's up to Paris,

Cuz I be up in the Hilton feelin good

White robe on, but I'm still so hood, with the slippers

Drinkin out the minibar

Even though they hella charge

Baby, I'm cool on the paper

A fool wit the paper

I could fuck around && start a school wit the paper

Doo-doo on haters

Here's what I'ma do wit the paper

I could bless u

Like achoooo, straight drape ya

U could be my boo

U so cute wit no makeup

(Wait, hold up)

Wait up

(Is that, is that)

Is that makeup?

Ok, it's cool you fooled me

Do u usually

Rock that doubie, girl

I ain't tryna mess up ya style

So I'ma ride wit the whip slowed down(Chorus)

I got the whip slowed down

Windows down

Wrist on shine

It's so loud

And baby it's 9 if u ask bout the clouds

I'm so high don't wanna come down

Don't wanna come down (The Whip Slowed Down)

Don't wanna come down (The Whip Slowed Down)

Don't wanna come down (The Whip Slowed Down)

Don't wanna come down

I'm so high don't wanna come down(2nd Verse)

Why would I want to?
Baby I want to,
Fly u somewhere like Jamaica, Barbadas
Ok, Barbados
(Oh)
U say tomato, I say tomatoe
I wanna rub on u like some Play-Doh
Baby, ya body is stacked just like some Legos
I wanna G-u-n it
(Gun it)
No 50 cent, no Eminem, no Tony Yayo
Whatchu say tho?
Turks and Caicos
I'm Mark Anthony & your JLo...wit a halo
Do ya thing
Flap your wings
U got feather, I got leather
He could tip u
I could weather
The storm
It's gone
So I'ma let the top down while(Chorus)
I got the whip slowed down
Windows down
Wrist on shine
It's so loud
And baby it's 9 if u ask bout the cloud
I'm so high don't wanna come down
Don't wanna come down (I don't, I don't)
Don't wanna come down (I don't, I don't)
Don't wanna come down (I don't, I don't)
Don't wanna come down
I'm so high don't wanna come down
