

# Born to Be Wild

## The Mooney Suzuki

Get your motor running  
Head out on the highway  
Looking for adventure  
and whatever comes our way Yeah Darlin go and make it happen  
Take the world in a love embrace  
Fire all of your guns at once  
and explode into space I like smoke and lightening  
Heavy metal thunder  
and racing with the wind  
and the feeling that I'm thunder Yeah Darlin goin' make it happen  
Take the world in a love embrace  
Fire all of your guns at once  
and explode into space Like a true nature's child  
We were born born to be wild  
We can climb so high  
I never wanna die Born to be wild  
Born to be wild Get your motor running  
Head out on the highway  
Looking for adventure  
and whatever comes our way Yeah Darlin goin' make it happen  
Take the world in a love embrace  
Fire all of your guns at once  
and explode into space I like smoke and lightening  
Heavy metal thunder  
and racing with the wind  
and the feeling that I'm thunder Yeah Darlin goin' make it happen  
Take the world in a love embrace  
Fire all of your guns at once  
and explode into space Like a true nature's child  
We were born born to be wild  
We can climb so high  
I never wanna die Born to be wild  
Born to be wild
