What Other Reason

Johnny Hates Jazz

I've tried so hard
To make you understand
That this is not a lie
Believe in me
And if you take my hand
And look me in the eyeWhat other reason can I give to you
When I want you and I need you?
What other reason can I give to you
When I want you 'cause I love you?The two of us
Have got a fighting chance
But you don't want to win
Now is the time
You gotta break the chains
But don't you dare give inWhat other reason can I give to you
When I want you and I need you?
What other reason can I give to you
When I want you 'cause I love you?How much stronger must I stay
Until you find out you believe in love
In loveOh no no noWhat other reason can I give to you
When I want you and I need you?
What other reason can I give to you
When I want you 'cause I love you?When I want you and I need you
When I want you 'cause I love you
When I want you and I need you
When I want you
