Undun

Guess Who

She's come undun
She didn't know what she was headed for
And when I found what she was headed for
It was too lateShe's come undun
She found a mountain that was far too high
And when she found out she couldn't fly
It was too lateIt's too late
She's gone too far
She's lost the sunShe's come undun
She wanted truth but all she got was lies
Came the time to realize
And it was too lateShe's come undun
She didn't know what she was headed for
And when I found what she was headed for
Mama, it was too lateIt's too late
She's gone too far
She's lost the sun
She's come undunToo many mountains, and not enough stairs to climb
Too many churches and not enough truth
Too many people and not enough eyes to see
Too many lives to lead and not enough timeIt's too late
She's gone too far
She's lost the sunShe's come undunIt's too late
She's gone too far
She's lost the sunShe's come undun
She didn't know what she was headed for
And when I found what she was headed for
It was too lateShe's come undun
She found a mountain that was far too high
And when she found out she couldn't fly
Mama, it was too lateIt's too late
She's gone too far
She's lost the sunShe's come undun
No, no, no, no, no, no, no
