

Lover's Rock

Sade

I am in the wilderness
You are in the music
In the man's car next to me
Somewhere in my sadness
I know I won't fall apart completely When I need to be rescued
And I need a place to swim
I have a rock to cling to in the storm
When no one can hear me calling
I have you I can sing to And in all this
And in all my life You are the lovers rock
The rock that I cling to
You're the one
The one I swim to in a storm
Like a lovers rock I am in the wilderness
You are in the music
In the man's car next to me
Somewhere in my sadness
I know I won't fall apart completely And in all this
And in all my life You are the lovers rock
The rock that I cling to
You're the one
The one I swim to in a storm
Like a lovers rock You are the lovers rock
The rock that I cling to
You're the one
The one I swim to in a storm
Like a lovers rock When I need to be rescued you're there
When I need a place to swim to in a storm
I sing to you
And all my life
And in all my life You are the lovers rock
The rock that I cling to
You're the one
The one I swim to in a storm
Like a lovers rock
