

# Any Dream Will Do

Connie Talbot

i close my eyes drew back the curtain  
to see for certain what i thought i knew  
far far away someone was weeping  
but the world was sleeping any dream will do

I wore my coat with golden lining  
bright colors shining wonderful and new  
and in the east the dawn was breaking  
and the world was waking  
any dream will do

a crash of drums a flash of light  
my golden coat flew out of sight  
the colors faded into darkness  
i was left alone

may i return to the beginning  
where the light is dimming and the dream is too  
the world and i we are still waiting  
still hesitating  
any dream will do

a crash of drums a flash of light  
my golden coat flew out of sight  
the colors faded into darkness  
i was left alone

may i return to the beginning  
where the light is dimming and the dream is too  
the world and i we are still waiting  
still hesitating  
any dream will do

any dream will do  
any dream will do
