

# They Don't Understand

## Dream Street

Oh, they don't understand They say we're just playing games  
That it isn't real, but it's what we feel  
And they say it doesn't make sense  
That we're just wasting time, and they wonder why You know we got our own special language  
That only we can speak  
And parents never know  
Just what it means, oh, no CHORUS  
They don't understand  
How we communicate  
Oh, so many things  
That we do and say  
They don't really get  
What it's all about  
No, they never can  
Understand Pokemon I can't explain if they don't know why  
You see, it's ev'rywhere; well, they must be blind  
"Pika-what?" and "Geo-who?"  
It just goes to prove they don't have a clue, no, no You know we got our own world to live in  
And we're so far apart  
To make it clear  
I don't know where to start, oh, no REPEAT CHORUS No  
Understand Pokemon You know we got our own special language  
That only we can speak  
And parents never know  
Just what it means, oh, no REPEAT CHORUS 2x
