

3 AM

Chiodos

She say itâ€™s cold outside and she hands me my raincoat
Sheâ€™s always worried about things like that
She says itâ€™s all gonna end and it might as well be my fault
And she only sleeps when itâ€™s raining
And she screams and her voice is straining

[chorus]

She says baby
Itâ€™s 3 am I must be lonely
When she says baby
Well I canâ€™t help but be scared of it all sometimes
Says the rainâ€™s gonna wash away I believe it

Sheâ€™s got a little bit of something, God itâ€™s better than nothing
And in her color portrait world she believes that sheâ€™s got it all
She swears the moon donâ€™t hang quite as high as it used to
And she only sleeps when itâ€™s raining
And she screams and her voice is straining

[chorus]

She believes that life is made up of all that youâ€™re used to
And the clock on the wall has been stuck at three for days, and days
She thinks that happiness is a mat that sits on her doorway
But outside itâ€™s stopped raining
