3 AM

Chiodos

She say it's cold outside and she hands me my raincoat
She's always worried about things like that
She says it's all gonna end and it might as well be my fault
And she only sleeps when it's raining
And she screams and her voice is straining

[chorus]

She says baby
It's 3 am I must be lonely
When she says baby
Well I can't help but be scared of it all sometimes
Says the rain's gonna wash away I believe it

Sheâ€TMs got a little bit of something, God itâ€TMs better than nothing And in her color portrait world she believes that sheâ€TMs got it all She swears the moon donâ€TMt hang quite as high as it used to And she only sleeps when itâ€TMs raining And she screams and her voice is straining

[chorus]

She believes that life is made up of all that you're used to And the clock on the wall has been stuck at three for days, and days She thinks that happiness is a mat that sits on her doorway But outside it's stopped raining
