

Who You Love (feat. Katy Perry)

[John Mayer](#)

You love, who you love
Who you love
You love, who you love
Who you love My girl's ain't the one that I saw coming
And sometimes I don't know which way to go
And I tried to run before
But I'm not running anymore
'Cause I've fought against it hard enough to know that you love, who you love
Who you love
You love, who you love
Who you love
You love, who you love
Who you love Oh, you can't make yourself stop dreaming
Who you're dreaming of
If it's who you left
Then it's who you left My boy ain't the one that I saw coming
And some have said his heart's too hot to hold
And it takes a little time
But you should him when he shines
You never want to let that feeling go When you love, who you love
Who you love
You love, who you love
Who you love
Yeah you love, who you love
Who you love Oh, you can't make yourself stop dreaming
Who you're dreaming of
If it's who you left
Then it's who you left Oh you love, who you love
Who you love
You love, who you love
Who you love
You love, who you love
Who you love Oh, you can't make yourself stop dreaming
Who you're dreaming of
If it's who you left
Then it's who you left
It's who you left
Who you left
Who you left

Who you left
You're the one I love
