

More Than Friends (That's Right)

3LW

That's right

That's right

[Chorus]

Sometimes i wish we were more than just friends

I know that i'm dreamin'

'Cause you're crazy 'bout her

Sometimes i wish all the time

That you spend with her was with me instead

I wish we could be more than friends

It's time to let you know just how i feel

About you lately (that's right)

You drive me crazy (that's right)

If she ever lets you go

Then you know the deal

Boy you will be mine

'til the end of time

(I sit and dream)

Over and over

I can see us walkin'

And holdin' hands

(you and me)

Closer and closer

If everything was different

You'd be my man

[Chorus]

Wakin' up to the morning each day

I think of you

And how i wish i were that special girl

In her place (that's right)

Everytime you see me with a smile on my face

I just can't help but wish

For the day, hey

(I sit and dream)

Over and over

I can see us walkin'
And holdin' hands
(You and me)
Closer and closer
If everything was different
You'd be my man

[Chorus]

More than friends (more than friends)
More than friends (more than friends)
More than friends

That's right
That's right

[Chorus until fade]
