

# Ring My Doorstep

## The Crispies

[Verse 1]

Night beats on my heart  
Did it once didn't care ripped two hands apart  
Want to yes I can  
Said I'm looking for a girl (though) I need a woman

Set me up call me out on my tricks  
You got me but you weren't too quick  
And when you begged me to stay  
It was the first time you looked like a little girl to me I said

Your grip's gettin' looser

[Chorus]

Thought I've been slipping out the backdoor baby  
How many times do you want me to lose  
How are you gonna get there sugar  
Don't you think it's time that I tie my shoes  
And I say oh

You ring my doorstep

[Verse 2]

Set me up call me out on my tricks  
You've got me but you weren't too quick oh  
I think it's plain to see that you're acting tough  
Yet you're still a little girl to me I said

I ain't got no lord I've got no other one  
I ain't got no love for any other one  
I ain't got no lord I've got no other one  
I ain't got no love for any other one

If you find my cold hands in your icebox  
Just leave them in there

[Chorus]

Thought I've been slipping out the backdoor baby  
How many times do you want me to lose  
How are you gonna get there sugar

Don't you think it's time that I tie my shoes

How did it ever get so old my hands are so cold  
You're pushing me over the edge  
Thought I've been slipping out the backdoor baby  
Well I don't think it's gonna end  
Now ring my doorstep

[Solo]

[Chorus]

Thought I've been slipping out the backdoor baby  
How many times do you want me to lose  
How are you gonna get there honey  
Don't you think it's time that I tie my shoes

How did it ever get so old my hands are so cold  
You're pushing me (us) over the edge  
Thought I've been slipping out the backdoor baby  
Well I don't think it's gonna end but I say

[Outro]

I ain't got no lord I've got no other one  
I ain't got no love for any other one  
I ain't got no lord I've got no other one  
I ain't got no love for any other one
