

# Womb

## Alberich

Here I Am I Am Your Child  
Lying Safe And Warm In Your Womb  
Billions Of Women Were Ambushed By Me  
As I Am The Unwanted Life  
And I Lurk In Your Body  
And I Lurk In Your Womb  
Here I Am I Am Lying In Your Womb  
I Am Your Child An Unwanted Child  
I Do Not Care About Anything Else But Me  
And You Think About Killing Me  
Forget About That I Will Be With You  
For The Rest Of Your Miserable Days  
Oh And Now You're Crying  
I Never Wanted You To Cry About Me  
But I Do Exist And You Have To Take Care About That  
For The Rest Of Your Miserable Days
