

# Good Summer

Kate Nash

Kinda feel better talking it out  
Kept locked in for the longest time  
So much magic has gone and died  
Feel like I've been circled up  
Now the sun is coming out, and  
I made my call listening loud  
I've been a referee of my emotions  
And I've been signed with the other team all my life  
Now I'm sick of being my opponentHey, boy,  
Hey, girl,  
Come up, it's your turn  
Stay wild and free  
Stay up until dawn  
Yeah, this is summer  
And I've been waiting all year  
To feel this good  
In the summer  
Yeah, I've been waiting all year  
To feel this goodBeing artist it ain't an easy steal  
I had a dream that everything worked out  
Facelift changing, and let it go  
I'm forgetting what I know  
Now the sun is coming out  
And I've made my call listening loud  
I've been a referee of my emotions  
And I've been signed with the other team all my life  
Now I'm sick of being my opponentHey, boy,  
Hey, girl,  
Come up, it's your turn  
Stay wild and free  
Stay up until dawn  
Yeah, this is summer  
And I've been waiting all year  
To feel this good  
In the summer  
Yeah, I've been waiting all year  
To feel this good[Instrumental break]Hey, boy,  
Hey, girl,  
Come up, it's your turn

Stay wild and free  
Stay up until dawn  
Yeah, this is summer  
And I've been waiting all year  
To feel this good  
In the summer  
Yeah, I've been waiting all year  
To feel this good Yeah, I've been waiting all year  
I've been waiting all year  
Yeah, I've been waiting all year  
I've been waiting all year
