Lifetimes

Slam

A journey is what I have to take
To find myself, that choice I must make
To wander through the hands of all time
A vision of my life I must find

The time has come for me to depart
I'll leave the world a piece of my heart
Where I go you cannot follow
If I'll be back, I really don't know

Girl you know I won't forget
All of those times we spent
No-one said that it would last
And girl I won't forget the past (x2)

Don't say you'll miss me, I won't believe
'Cause you laughed at me and all of my dreams
Well, now the laughs are at your expense
'Cause where I go my dreams all make sense

Girl you know I won't forget
All of those times we spent
No-one said that it would last
And girl I won't forget the past (x2)

Ohhhhhhhhhh ohhhhhhhhh Yeah yeah
I'll never forget, those times that we spent
I'll never, never, never forget all those times

Girl you know I won't forget
All of those times we spent
No-one said that it would last
And girl I won't forget the past (x2)
