

# Out In the Country

## Three Dog Night

Whenever I need to leave it all behind  
Or feel the need to get away  
I find a quiet place far from the human race  
Out in the country Before the breathin' air is gone  
Before the sun is just a bright spot in the night-time  
Out where the rivers like to run  
I stand alone and take back somethin' worth rememberin' Whenever I feel them closing in on me  
Or need a bit of room to move  
When life becomes too fast, I find relief at last  
Out in the country Before the breathin' air is gone  
Before the sun is just a bright spot in the night-time  
Out where the rivers like to run  
I stand alone and take back somethin' worth rememberin' Before the breathin' air is gone  
Before the sun is just a bright spot in the night-time  
Out where the rivers like to run  
I stand alone and take back somethin' worth rememberin' Before the breathin' air is gone  
Before the sun is just a bright spot in the night-time  
Out where the rivers like to run  
I stand alone and take back somethin' worth rememberin'  
Before the breathin' air is gone  
Before the sun is just a bright spot in the night-time
