I Believe I'm In Love With You

Bonnie Raitt

I don't know what's wrong with me
I've been foolish as a fool can be
Baby, I can't sleep at night
And I lost my appetiteWent to the doctor but he don't know
It's getting to where it ain't funny no more
Tell me baby what I might gonna do
I believe I'm in love with youI believe I'm in love with you
Tell me baby that you love me, too
I can't fight, baby I decided
I'm in love with youI guess this time I realize
For you baby I got eyes
Come on baby and give me a chance
All I need is your romanceYou're the one I've been trying to find
Baby, baby you're just my kind
I'm telling you baby I'll be true
I believe I'm in love with youI believe I'm in love with you
Tell me baby that you love me, too
I can't fight, baby I decided
I'm in love with youI guess this time I realize
For you baby I got eyes
Come on baby and give me a chance
All I need is your romanceYou know what I'm tryin' to fight
And I'm telling you, you're just my kind
I'm telling you, baby I'll be true
I believe I'm in love with youI believe I'm in love with you
Tell me baby that you love me, too
I can't fight, baby I decided
I'm in love with you
