

# Put It On Ya

## Plies

Shorty I wanna know if you come over  
If you don't mind girl put your legs up on my shoulders  
Don't lie, I can see it in your eyes  
You want for you and I to do the freaky things you like When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on ya, put-put-put it on ya Let's ride around the city, make love in the car  
Let's get on the express way, let me tease you ma  
And while you drive baby, I wanna taste your tongue  
Pull in to rest area, and let me give you some You ever been driving while your man made you cum?  
I wanna hit and stay, I wanna hit and run  
Let's pull the car over, and have a little fun  
The AC working, so we ain't gotta bun Can I lick it, can I stick it, can I touch it, can I grab it  
Baby tell me can I have it? Ooh wee  
Can I rub it, can I flip it, can I hold it, can I get it  
Anyway I wanna get it Shorty I wanna know if you come over  
If you don't mind girl put your legs up on my shoulders  
Don't lie, I can see it in your eyes  
You want for you and I to do the freaky things you like When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on ya, put-put-put it on ya If that don't work for ya, I got another idea  
Ain't nobody home, so gon' come on over here  
Let's play hide and seek, in our underwear  
I find you, I can get it right there You find me, then I get bare  
Either way we both win, now that's fair  
Whatever I gotta do to be with you oh yeah  
You my queen, I'm your king, now that's a nice pair Can I lick it, can I stick it, can I touch it, can I grab it  
Baby tell me can I have it? Ooh wee  
Can I rub it, can I flip it, can I hold it, can I get it?  
Anyway I wanna get it Shorty I wanna know if you come over  
If you don't mind girl put your legs up on my shoulders  
Don't lie, I can see it in your eyes  
You want for you and I to do those freaky things you like When I put-put-put it on girl, when I put-put-put it on  
ya  
When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on ya, put-put-put it on ya Let grade you, give you a report card  
Your first test is, can you get it hard?

Show me how good you communicate when we start  
Today's pop quiz, define your hot spotWanna see how good your balance is on top  
Give you an A+ if you don't stop  
This a big test, you looking kinda shocked  
Either you get promoted, or you get droppedYour final exam, show me your wet box  
Ain't no tattler, I keep my mouth locked  
Make you an honor student, show me you back shot  
You passed with flying colors, ooh that's a nice ooh weeShorty I wanna know if you come over  
If you don't mind girl put your legs up on my shoulders  
Don't lie, I can see it in your eyes  
You want for you and I to do those freaky things you likeWhen I put-put-put it on girl, when I put-put-put it on  
ya  
When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on girl, when I put-put-put it on ya  
When I put-put-put it on ya, put-put-put it on ya, ooh wee
