The Song Begins

Metatrone

I think I'm dreaming now
Don't break the silence turning around
There's no time to recognize what I am
I need a help to win the fear that holds my body
Please can you wake up me?
Mankind have no remorse
But some day we'll pay the cost
I feel it for sure
Like a hanging hammer above
No matter when no matter how
It strikes down the blowInside of my heart I hear your voice
Never crying
Inside of my heart
I'm looking for the salvation
So let the song begin!
Whenever we cry
whatever we tried
we look for tomorrow
Living ain't no crime!
Whenever we fall
And loose the control
We can get back now if we wantFace the man so close to you
In those eyes no more
Reflections of pain
What the hell we made up before?
To get the chance, to find the key,
To let people see
Inside of my heart
I hear your voice
Never crying
Inside of my heart
I'm looking for the salvationSo let the song begin!
Whenever we cry
whatever we tried
we look for tomorrow
Living ain't no crime!
Whenever we fall
And loose the control
We can get back now if we wantHey you, don't think there

Is no more to say
We pray The Father if we don't find the way
And when you're looking for the answers
you want to know the Meaning
let the song begin!Whenever we cry
whatever we tried
we look for tomorrow
Living ain't no crime!
Whenever we fall
And loose the control
We can get back now if we wantWhenever we cry
whatever we tried
we look for tomorrow
Living ain't no crime!
Whenever we fall
And loose the control
We can get back now if we want
