

Get Together (Danny Howells Remix)

Madonna

It's an illusion
There's too much confusion
It's an illusion
There's too much confusion
Down, down, down in your heart
Find, find, find the secret
Turn, turn, turn, turn your head around
Baby we can do it
We can do it alright
Do you believe in love at first sight?
It's an illusion, I don't care
Do you believe I can make you feel better
Too much confusion, come on over here
Can we get together?
I really, I really wanna be with you
Come on, check it out with me
I hope you, I hope you feel the same way too
I've searched
I've searched my whole life
To find, to find, to find the secret
And all I did was open up my eyes
Baby we can do it
We can do it alright
Do you believe that we can change the future?
Do you believe I can make you feel better?
Can we get together?
I really, I really wanna be with you
Come on, check it out with me
I hope you, I hope you feel the same way too
Can we get together?
I really, I really wanna be with you
Come on, check it out with me
I hope you, I hope you feel the same way too
It's an illusion
There's too much confusion
I'll make you feel better
If it's better at the start
Then it's sweeter in the end
Do you believe in love at first sight?
It's an illusion, I don't care
Do you believe I can make you feel better
Too much confusion, come on over here
Can we get together?
I really, I really wanna be with you
Come on check it out with me
I hope you, I hope you feel the same way too
Can we get together?
I really wanna be with you
Come on check it out with me

I hope you feel the same way too
It's all an illusion
There's too much confusion
I'll make you feel better
If it's better at the start
Then it's sweeter in end
