

Boogie Down Love

Girls Aloud

(We got some dancing to do) I want to go dancing
Too cool for school
When I'm alone I like to break the rules
I want to go faster
Can't waste no time
Let's get on down
And let me blow your mind, so Love me
(Down love, boogie down love)
Love me
(Down love, boogie down love)
Love me
(Down love, boogie down love)
I give into you when you play peek a boo
Love me
(Down love, boogie down love)
Love me
(Down love, boogie down love)
Love me
(Down love, boogie down love)
'cause a girl's gotta do what a girl's gotta do to the groove Set it off now
And do your thing
Bring me low
And let the record spin
So give me lovin'
Till I explode
Do the move
Until I lose control So clap your hands and fingers snap
'cause you know where the party's at
It's time to let your feelings show
Ready, steady, come on let's go Love me
(Down love, boogie down love)
Love me
(Down love, boogie down love)
Love me
(Down love, boogie down love)
I give into you when you play peek a boo
Love me
(Down love, boogie down love)
Love me

(Down love, boogie down love)

Love me

(Down love, boogie down love)

'cause a girl's gotta do what a girl's gotta do to the groove I want to go faster

Can't waste no time

I want to go faster

Let me blow your mind

Love me

I want to go faster

Love me

Can't waste no time

Love me

I want to go faster

Love me

Let me blow your mind
