Sippy Cup

together PANGEA

I woke up to get out
I went to brush my teeth
But they all just fell out
It was only a dreamI can pick you up
You can bring me down
I got a sippy cup
You got your wedding gownGather your demons
Cause we're taking 'em out
We're going out drinking
Gonna ruin this town
I can pick you up
You can bring me down
I got a sippy cup
You got your wedding gownSleeping on the bus
On the way to the sea
If the world's on fire
How come I feel so at ease?I carried my mattress
I put it in the street
Can I just take my bed in
I guess you're waiting on me
I guess you're waiting on meI guess you're waiting on me
I guess you're waiting on me
I guess you're waiting on me
I guess you're waiting on me
I guess you're waiting on me
I guess you're waiting on me
I guess you're waiting on me
I guess you're waiting on me
