You Don't Let Go (feat. Jessica Mack)

Northern Wonder

Sometimes the road can
Get so hard to walk
Alone
But there's a promise
That I rest upon
I know

Yea though I walk through
The valley of the shadow
I lift my eyes to the
Maker of the stars
Why should I fear what could
Happen here tomorrow
Nothing at all can tear us apart
You dont let go (3)
Nothing at all can tear us apart

There is a solid rock
To stand upon
The King
His name is God
With us Immanuel
Always

And though I walk through
The valley of the shadow
I lift my eyes to the
Maker of the stars
Why should I fear what could
Happen here tomorrow
Nothing at all can tear us apart
You dont let go (3)
Nothing at all can tear us apart - Hey!

And through it all
You dont let go (2)
And through the storm
You dont let go
You dont let
You dont let go (3)

Nothing at all can tear us apart
