

Woman Woman

Awolnation

Last night I fell apart
Broke from my swollen heart
Born in a simple time
Raised with the simple mind You may be a natural woman
You may be a natural woman
You may be a natural woman
You may be a natural woman I may be worthless without you
I'll never decide to replace you
Amen, the worst is behind us now
(Woman, woman) Oh
I may be worthless without you
I'll never decide to replace you
Amen, the worst is behind us now
(Woman, woman)
(Woman) You may be a natural woman
You may be a natural woman
You may be a natural woman
You may be a natural woman Last night I fell apart
Choked on my drunken heart I may be worthless without you
I'll never decide to replace you
Amen, the worst is behind us now
(Woman, woman) Oh
I may be worthless without you
I'll never decide to replace you
Amen, the worst is behind us now
(Woman, woman)
(Woman) You may be a natural woman
You maybe a natural woman, you! (Ah) You (Ah) Who's that (Woman, woman)
Is that (Woman, woman)
Be my (Woman, won't you see me in the dark) Who's that (Woman, woman)
Is that (Woman, woman)
Be my (Woman, won't you see me in the dark) I may be worthless without you
I'll never decide to replace you
Amen, the worst is behind us now
(Woman, woman) Oh
I may be worthless without you
I'll never decide to replace you
Amen, the worst is behind us now
(Woman, woman)

(Woman, woman) You may be a natural woman
You may be a natural woman
You may be a natural woman
You may be
