

# Spanish Sahara (Rabbit In The Hat Edit)

## Foals

So I walked through to the haze  
And a million dirty waves  
Now I see you lying there  
Like a lilo losing air, air  
Black rocks and shoreline sand  
Still dead summer I cannot bear  
And I wipe the sand from my arms  
The Spanish Sahara  
The place that you'd wanna  
Leave the horror here Forget the horror here  
Forget the horror here  
Leave it all down here  
It's future rust and it's future dust Forget the horror here  
Forget the horror here  
Leave it all down here  
It's future rust and it's future dust Now the waves they drag you down  
Carry you to broken ground  
Though I'll find you in the sand  
Wipe you clean with dirty hands  
So god damn this boiling space  
The Spanish Sahara  
The place that you'd wanna  
Leave the horror here Forget the horror here  
Forget the horror here  
Leave it all down here  
It's future rust and it's future dust I'm the fury in your head  
I'm the fury in your bed  
I'm the ghost in the back of your head 'Cause I am I'm the fury in your head  
I'm the fury in your bed  
I'm the ghost in the back of your head 'Cause I am I'm the fury in your head  
I'm the fury in your bed  
I'm the ghost in the back of your head 'Cause I am Forget the horror here  
Forget the horror here  
Leave it all down here  
It's future rust and it's future dust Choir of furies in your head  
Choir of furies in your bed  
I'm the ghost in the back of your head 'Cause I am The choir of furies in your head  
Choir of furies in your bed  
I'm the ghost in the back of your head 'Cause I am Choir of furies in your head

Choir of furies in your bed  
I'm the ghost in the back of your head'Cause I am
