

# I Think I Love You

**Diamond Rio**

You've got my attention  
In every dimension  
You've made a deep impression  
On my heart tonight  
Looks can be deceiving  
But what I've been receiving  
Has got me believing  
Now the time is right  
To tell you  
I've got to tell you[Chorus]  
I think I love you  
I know I need you  
I really want you  
I have to see you  
On a steady basis  
That smile on your face says  
You feel it too  
I think I love youIt's a win win situation  
I'm way beyond elation  
Full of fascination  
For you here in my arms  
So I've made a life decision  
I'm on a one way mission  
To bring this to fruition  
And give you my heart  
I'll show you  
Baby I'll show you[Chorus]
