

# Riot Act

## Skid Row

I never wanted to be President  
Because it's nothin' but an ego trip, yeah  
I didn't want your education  
Because it's nothin' but a pile of shit You bore me to death  
So shut up for God's sake Stop readin' me, 'The Riot Act'  
While my brains are still intact  
You say it's raining but you're pissin' down my back  
So stop readin' me, 'The Riot Act' I couldn't listen to a word you said  
This goin' nowhere, thing is wearin' thin  
When your sex, your drugs and your valid vic'  
Is just the spit I wipe off my chin I'd rather go nowhere  
Than not know where it's at Stop readin' me, 'The Riot Act'  
While my brains are still intact  
You say it's raining but you're pissin' down my back  
So stop readin' me, 'The Riot Act' I never wanted to be President  
Because it's nothin' but an ego trip, yeah  
I didn't want your education  
Because it's notin' but a pile of shit You bore me to death  
So shut up for God's sake Stop readin' me, 'The Riot Act'  
While my brains are still intact  
You say it's raining but you're pissin' down my back  
So stop readin' me Stop readin' me, 'The Riot Act'  
While my brains are still intact  
You say it's raining but you're pissin' down my back  
So stop readin' me, 'The Riot Act' The Riot Act  
The Riot Act  
The Riot Act
