Thirteen

Danzig

Bad luck wind been blowin' on my back
I was born to bring trouble wherever I'm at
With the number 13 tattooed on my neck
That ink it starts to itch, black gon' turn to redI was born in the soul of misery and I never had me a name
They just give me a number when I was youngGot a long line of heartache, I carry it well
The list of lives I've broken reach from here to Hell
And a bad luck wind been blowin' on my back
Pray you don't look at me an' I pray I don't look backI was born in the soul of misery and I never had me a name
They just give me a number when I was youngFound me with a preacher man, confessin' all I've done
Catch me with the devil playin' 21
And a bad luck wind been blowin' on my back
I was born to bring trouble wherever I'm atI was born in the soul of misery and I never had me a name
They just give me a number when I was young
I was born in the soul of misery and I never had me a name
They just give me a number when I was youngWhen I was young, when I was young, when I was young
