

# Thirteen

## Danzig

Bad luck wind been blowin' on my back  
I was born to bring trouble wherever I'm at  
With the number 13 tattooed on my neck  
That ink it starts to itch, black gon' turn to red  
I was born in the soul of misery and I never had me a name  
They just give me a number when I was young  
Got a long line of heartache, I carry it well  
The list of lives I've broken reach from here to Hell  
And a bad luck wind been blowin' on my back  
Pray you don't look at me an' I pray I don't look back  
I was born in the soul of misery and I never had me a  
name  
They just give me a number when I was young  
Found me with a preacher man, confessin' all I've done  
Catch me with the devil playin' 21  
And a bad luck wind been blowin' on my back  
I was born to bring trouble wherever I'm at  
I was born in the soul of misery and I never had me a name  
They just give me a number when I was young  
I was born in the soul of misery and I never had me a name  
They just give me a number when I was young  
When I was young, when I was young, when I was young
