Run

Leona Lewis

I'll sing it one last time for you
Then we really have to go
You've been the only thing that's right
In all I've doneAnd I can barely look at you
But every single time I do
I know we'll make it anywhere
Away from hereLight up, light up
As if you have a choice
Even if you cannot hear my voice
I'll be right beside you, dearTo think I might not see those eyes
Makes it so hard not to cry
And as we say our long goodbyes
I nearly doLight up, light up
As if you have a choice
Even if you cannot hear my voice
I'll be right beside you, dearLouder, louder
And we'll run for our lives
I can hardly speak, I understand
Why you can't raise your voice to sayLight up, light up
As if you have a choice
Even if you cannot hear my voice
I'll be right beside you, dearLouder, louder
And we'll run for our lives
I can hardly speak, I understand
Why you can't raise your voice to say
