

# Run

## Leona Lewis

I'll sing it one last time for you  
Then we really have to go  
You've been the only thing that's right  
In all I've doneAnd I can barely look at you  
But every single time I do  
I know we'll make it anywhere  
Away from hereLight up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you, dearTo think I might not see those eyes  
Makes it so hard not to cry  
And as we say our long goodbyes  
I nearly doLight up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you, dearLouder, louder  
And we'll run for our lives  
I can hardly speak, I understand  
Why you can't raise your voice to sayLight up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you, dearLouder, louder  
And we'll run for our lives  
I can hardly speak, I understand  
Why you can't raise your voice to say
