

Ain't My Fault

Zara Larsson

[Intro]

Oh my, oh my, oh my

Oh my, oh my, oh my

Oh my, oh my, oh my, oh my[Verse 1]

It ain't my fault you keep turning me on

It ain't my fault you got, got me so gone

It ain't my fault I'm not leaving alone

It ain't my fault you keep turning me on

I can't talk right now, I'm looking and I like what I'm seeing

Got me feeling kinda shocked, girl, now

Could've stopped right now, even if I wanted

Gotta get it, get it, get it, while it's hot right now

Oh my god, what is this

Want you all in my business

Baby, I insist

Please don't blame me for what ever happens next[Chorus]

No, I can't be responsible

If I get you in trouble now

See you're too irresistible

Yeah, that's for sure

So if I put your hands where my eyes can't see

Then you're the one who's got a hold on me

No, I can't be responsible, responsible

It ain't my fault (no, no, no, no...)

It ain't my fault (no, no, no, no...)

It ain't my fault[Verse 2]

It ain't my fault you came here looking like that

You just made me trip, fall, and land on your lap

Certain bad boy smooth, body hotter than the sun

I don't mean to be rude, but I look so damn good on yaAin't got time right now

Missed me with the words you name your Scion, uh

It's light outside, I just called an Uber and it's right outside

Oh my god, what is this

Want you all in my business

Baby I insist

Please don't blame me for what ever happens next[Chorus]

No, I can't be responsible

If I get you in trouble now

See you're too irresistible

Yeah, that's for sure
So if I put your hands where my eyes can't see
Then you're the one who's got a hold on me
No, I can't be responsible, responsible
It ain't my fault (no, no, no, no...)
It ain't my fault (no, no, no, no...)
It ain't my fault[Bridge]
Baby, one, two, three
Your body's calling me
And I know wherever it is
Is exactly where I wanna be
But don't blame me
It ain't my fault (no, no, no, no...)
It ain't my fault (no, no, no, no...)
It ain't my fault (no, no, no, no...)
It ain't my fault (oh my, oh my, oh my, oh my)[Chorus]
So if I put your hands where my eyes can't see
Then you're the one who's got a hold on me
No, I can't be responsible, responsible
It ain't my fault (no, no, no, no...)
It ain't my fault (no, no, no, no...)
It ain't my fault[Outro]
It ain't my fault you got me so caught
It ain't my fault you got me so caught
Oh, well that's too bad it ain't my fault
