

Dream of Me

[Alison Krauss](#)

My life on the road, its been hard on me and you
Every time we say goodbye, it gets harder to do
But when I'm far away somewhere alone, and the missing you starts
All I got to do is picture you, and I can feel you in my heart So dream of me
Every time you get to feeling blue
Dream of me
And I'll be dreaming of you I've been a lot of places, but there's no place like home
And I'm on my way back to you, every minute that I'm gone
So when you get to feeling lonely, just remember we won't always be apart
Close your eyes and think of me, and you can feel me in your heart So dream of me
Every time you get to feeling blue
Dream of me
And I'll, be dreaming of you
