Highlights

Backyard Babies

(borg, dregen)I saw red, I saw green
I think I saw what the whole worldÂ´s seen
Gotta get away, gotta get away
`cause I know that nothinÂ´ lasts forever
In my dreams
But thereÂ´s a highlight let me beI need a kick, you need a fix
We are livinÂ´ on borrowed time
Generation breakdown destination hellbound
But I know that nothinÂ´ lasts forever
Hallucinating, stuck together
ThereÂ´s a highlight let me be
Only you and meIt will blow me away
I will never forget
It took a piece of my soulOne day I will burn my hand
And iÂ´ll be resurrected in the promised land
Among the gods I feel power and joy
I made my choice but nothinÂ´ will last forever
In my dreams
ThereÂ´s a highlight let me be
DonÂ´t let me outNothinÂ´ will last forever
Hallucinating, stuck together
ThereÂ´s a highlight canÂ´t you see
Only you and meNothinÂ´ will last forever
In my dreams
ThereÂ´s a highlight let me be
