Way Cool Jr.

Ratt

Oh, ohNew kid in town got fancy clothes
Old T-Bird car, baby you can tell your nose
He said, Where is all the action in this town?
Stop working on the women it's on real slick
Heard enough about sin, girl, gonna make it stick
Hey! What makes him so special anyhow?She said, He's so good lookin', that's a fact
Steel guitars run across his back
The girls all know he's Way Cool Jr.Check him out on his good sideHeard he came from Memphis
Somewhere down south
Started hangin' with the blues crowd
That's how he got that crazy sound
What is all this talkin' goin' 'round?She said, He's so good lookin', he turns me on
Out all night, he keeps me up 'til dawn
The girls all know he's Way Cool Jr.You know you can't have fire without the flame
You can't keep the fortune without the pain
That's how he makes it when he's on his ownWay Cool Jr.
You don't live it up or never live it down
Way Cool Jr.
He's the hottest thing to ever hit this town
Go man goShe said, He's so good lookin' and that's a fact
Steel guitar scratched off the back
Everybody knows it's Way Cool Jr.You know you can't have fire without the flame
You can't keep the fortune without the pain
That's how he makes it when he's on his ownWay Cool Jr.
Always comin' 'round the bend
Way Cool Jr.
He's gonna live it up or never live it downWay Cool Jr.Way Cool Jr.
