Breaking My Heart (2002 Remaster)

Michael Learns to Rock

I'm on the floor
Counting one minute more
No one to break the silenceStaring into the night
All alone but that's alright
It's the feeling deep inside I don't likeThere is no excuse my friend
For breaking my heart
Breaking my heart again
This is where our journey ends
You breaking my heart againHere in my bed
Counting the words you've said
They linger in the shadowsComing home late at night
Drunk again but that's alright
It's the look in your eyes I don't likeThere is no excuse my friend
For breaking my heart
Breaking my heart again
This is where our journey ends
You breaking my heart again
