

Breaking My Heart (2002 Remaster)

Michael Learns to Rock

I'm on the floor
Counting one minute more
No one to break the silence Staring into the night
All alone but that's alright
It's the feeling deep inside I don't like There is no excuse my friend
For breaking my heart
Breaking my heart again
This is where our journey ends
You breaking my heart again Here in my bed
Counting the words you've said
They linger in the shadows Coming home late at night
Drunk again but that's alright
It's the look in your eyes I don't like There is no excuse my friend
For breaking my heart
Breaking my heart again
This is where our journey ends
You breaking my heart again
