Roger Wilco

Roger Wilco it`s okay
It's all yours it's anything that you say
My company fell in
We were dropped like like sticks in the wind
I relinquish this mission sir in the interest of my men
I do not expect to see my children again
You have your reinforcements
And I take that as a sign
I'm walking back to Austin or at least die trying
MIA or KIA
It's up to you it's not for me to say
While I may have mislead you sir I did not do it with intent
But now I 've seen your tactics and your fire in the hole
The entire operation is a misappropriation of my soul
Roger Wilco it's okay
Roger Wilco it's okay Roger Wilco it's okay
