Let It Fade

jamesragbone

Have you been walking on a surface thats uncertain?
Have you helped yourself to everything thats empty?
You cant live this way too long
Theres more than this, more than thisHave you been standing on your own feet too long?
Have you been looking for a place where you belong?
You can rest, you will find rest
You can rest, you will find restLet this old life crumble, let it fade
Let this new life offered be your saving grace
Let this old life crumble, let it fade
Let it fadeHave you been holding on to what this world has offered?
Have you been giving in to all these masquerades?
It will be gone, forever gone
It will be gone, it will be goneLet this old life crumble, let it fade
Let this new life offered be your saving grace
Let this old life crumble, let it fade
Let it fade, let it fadeAre you carrying the weight too much?
You're running from the call, let it fade
You can rest, you will find rest
You can rest, you will find restLet this old life crumble, let it fade
Let this new life offered be your saving grace
Let this old life crumble, let it fade
Let it fade, let it fade
Let this old life crumble, let it fadeHave you been standing on your own feet too long?
Have you been looking for a place where you belong?
