

# Hard On Me (feat. Maverick Sabre)

## Gorgon City

Face down on my chest  
Wake up and you are there  
Your touch takes my tears  
But I'm lying here wondering if you are sincere I pray that what you give me is real  
I hate that it's the way I feel  
Nothing seems to care for me to see And I can't drink for love with you  
If I can't recognize the truth  
I watch you as you rest  
I'm so confused 'Cause I don't wanna be used darling it's too hard on me  
And I don't know what to do darling but choose honesty  
And I don't wanna be used darling it's too hard on me  
And I don't know what to do darling but choose honesty [?]  
And your smile as you're fast asleep  
My fears tell me to go  
But as you're whispering in my ears [?]  
So I don't I pray that what you give me is real  
I hate that it's the way I feel  
But nothing seems to care for me to see But I don't wanna be used darling it's too hard on me  
And I don't know what to do darling but choose honesty  
And I don't wanna be used darling it's too hard on me  
And I don't know what to do darling but choose honesty Oh please darling don't use me  
Please darling don't use me  
Oh please darling don't use me So I don't know how I can take it  
And I don't know how I can make it  
And I don't know how I can take it  
And I don't know how I can make it Please darling don't  
Please darling don't
