

One

Swedish House Mafia

(Oh)

I wanna know your name

You just killed me, could you at least do that?

I wanna know your name

Or better yet, stand there, just do that(Oh)

I wanna know your name

You just killed me, could you at least do that?

I wanna know your name

Or better yet, stand there, just do thatHey, yeahI wanna know your name

Know your name

I wanna know your name

Know your nameUh

Ooh yeahI wanna know your name

You just killed me, could you at least do that?

I wanna know your name

Or better yet, stand there, just do thatHey, yeah

Ooh, yeahI wanna know your name

Know your name

I wanna know your name

Know your name, uh
