## One

## **Swedish House Mafia**

(Oh)

I wanna know your name You just killed me, could you at least do that? I wanna know your name Or better yet, stand there, just do that(Oh) I wanna know your name You just killed me, could you at least do that? I wanna know your name Or better yet, stand there, just do that Hey, yeah I wanna know your name Know your name I wanna know your name Know your nameUh Ooh yeahI wanna know your name You just killed me, could you at least do that? I wanna know your name Or better yet, stand there, just do that Hey, yeah Ooh, yeahI wanna know your name Know your name I wanna know your name
