Opposites Attract

Paula Abdul

I'm M.C. Kat on the rap so mic it

Here's a little story and you're sure to like it

Swift and sly and I'm playing it cool

With my home girl, Paula AbdulBaby seems we never ever agree

You like the movies and I like TV

I take things serious and you take 'em light

I go to bed early and I party all nightOur friends are sayin' we ain't gonna last

'Cuz I move slowly and baby I'm fast

I like it quiet and I love to shout

But when we get together, it just all works out I take two steps forward, I take two steps back

We come together 'cuz opposites attract

And you know it ain't fiction just a natural fact

We come together 'cuz opposites attractWho'd a thought we could be lovers

She makes the bed and he steals the covers

She likes it neat and he makes a mess

I take it easy baby, I get obsessedShe's got the money and he's always broke

I don't like cigarettes, I like to smoke

Things in common, there just ain't a one

But when we get together, we have nothin' but funI take two steps forward, two steps back

We come together 'cuz opposites attract

And you know it ain't fiction just a natural fact

We come together 'cuz opposites attract

You know it baby, babyNothing in common but this trust

I'm like a minus, she's like a plus

One going up, one coming down

But we seem to land on common ground

When things go wrong we make corrections

To keep things moving in the right direction

Try to fight it but I'm telling you Jack

It's useless, opposites attractBaby ain't it somethin' how we lasted this long

You and me provin' everyone wrong

Don't think we'll ever get our differences patched

Don't really matter 'cuz we're perfectly matchedI take two steps forward, I take two steps back

We come together 'cuz opposites attract

And you know it ain't fiction just a natural fact

We come together 'cuz opposites attractTwo steps forward, two steps back

We come together 'cuz opposites attract

And you know it ain't fiction just a natural fact

We come together 'cuz opposites attractTwo steps forward, two steps back

We come together 'cuz opposites attract
It ain't fiction you know it's a fact
We come together 'cuz opposites attractTwo steps forward, two steps back
Two steps back 'cuz opposites attract
We come together, we go together
Opposites, I said, Opposites attract
